

Summer

Homework

Name: _____

Primary 5

Dear Parents,

Summer break is here!!! It has been such a joy to watch your children grow and learn so much. We are very proud of all the progress each child has made. Your support and efforts at home have been a major reason for your child's successes every time. Each of you is to be commended for your efforts.

In order to make sure that your child keeps the "brain juices" flowing over the summer break, we have put together a packet that reviews great materials we have learned till now and an introduction of what we will learn in future. Completing the assigned pages each week would be very beneficial as it would help ensure retention of the materials learned. Moreover, completion of this packet will get us off on the right foot when your child returns to school.

Once again, thank you for all your support! We look forward to seeing all of your children's bright and shining faces soon. Enjoy the summer!

Regards,

Management

Be Creative, Be Kind, Be Happy, Be Safe & Be You!

Computer Assignment:

Using MS Power Point, make a PPT on your Summer Vacations' Journey (Use animations, transitions and different themes). Take a print and attach it in your file.

Activity Title: Visit of Historical Place

Visit any historical place of Pakistan of your choice and collect information based on the following questions.

1. Name of Historical landmark?
2. Where is it Located?
3. What is the historical significance of this place?
4. Brief background of historical place?

Students will then write a blog using the website <https://www.blogger.com/> and put all information with pictures gathered from the visit and publish their blog. Save the link of your blog to share with your friends and family.
