SUMMER PACK 2020

Name: _____

Toddlers (Playgroup)

Dear Parents,

Summer break is here!!! It has been such a joy to watch your children grow and learn so much. We are very proud of all the progress each child has made. Your support and efforts at home have been a major reason for your child's successes every time. Each of you is to be commended for your efforts.

In order to make sure that your child keeps the "brain juices" flowing over the summer break, we have put together a packet that reviews great materials we have learned till now and an introduction of what we will learn in future. Completing the assigned pages each week would be very beneficial as it would help ensure retention of the materials learned. Moreover, completion of this packet will get us off on the right foot when your child returns to school.

Once again, thank you for all your support! We look forward to seeing all of your children's bright and shining faces soon. Enjoy the summer!

Regards,

Management

String Telephone activity

Method:

Make two holes in each using the point of a pencil. Thread the string (1 metre) through one hole into the cup and out through the second hole. Ask child to go far more easily than parent. Then ask child to keep cup on his/her mouth and speak something. Parent should keep other cup on their ear. Let kid enjoy and explore new things.

Clean up Activity

Poem: <https://www.youtube.com/watch?v=v1rBxf4VgaA>

Instruction: Motivate your child to clean their room. Encourage them to keep their toys in toy basket, shoes in shoe rag and keep their dirty clothes in laundry basket with your help.

Cloth folding activity

Water pouring activity

ACTIVITIES

Scavenger Hunt

A fun activity that will keep them occupied for hours.

How To Do

1. Get your child a new puzzle and hide the pieces around the house. On some sticky notes, write down instructions such as "take three steps to the right, one back and turn around. Look under the table."
2. Give them a little bag to collect the pieces in and then you can all solve the puzzle together once all the pieces are found.

Pet Care

A good activity for kids who love animals.

How To Do

1. Get your child to help you serve your pet and feed them using the correct materials, amount and at the same time each day.
2. Your children can also help in bathing your pet if your pet is the type to remain calm during a bath.

3. Brushing down fur is another great activity your child can do.

Dishwashing

If your child likes to play in the water, then she will love this one.

How To Do

1. Allow your child to try washing a few plastic cups and plates so that they can learn how it's done.
2. Make sure that there aren't any knives or anything you do not feel comfortable with them handling just yet.

Create a portfolio of all the activities
